

METAL WORKS, INC.

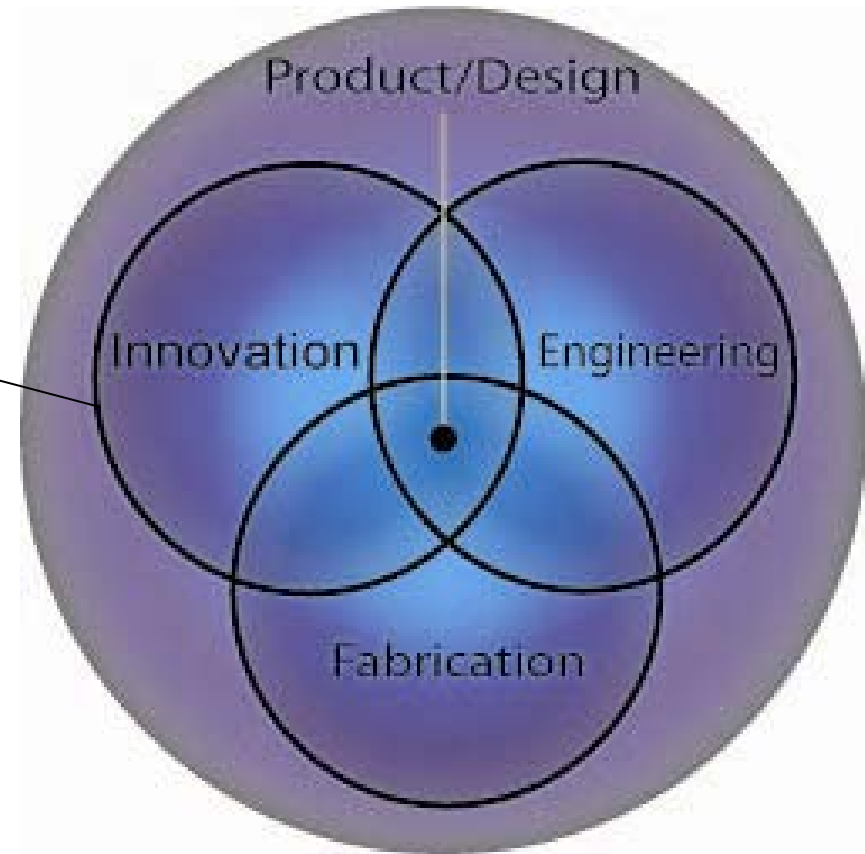

Precision Sheet Metal Fabrication

**Design Engineering
Services**

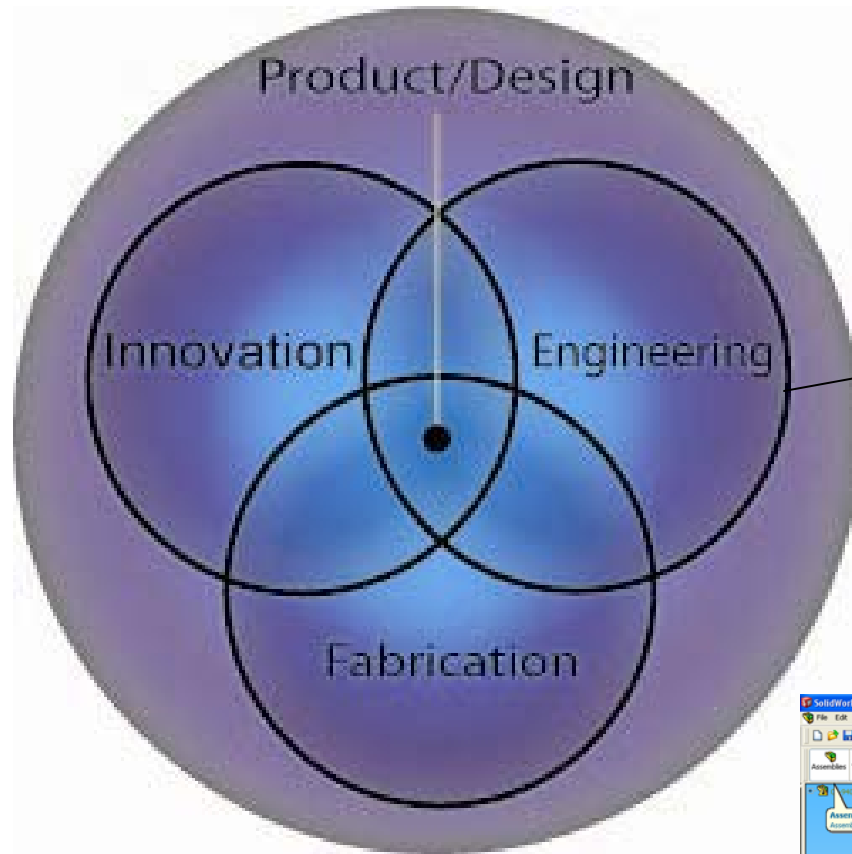

Innovation

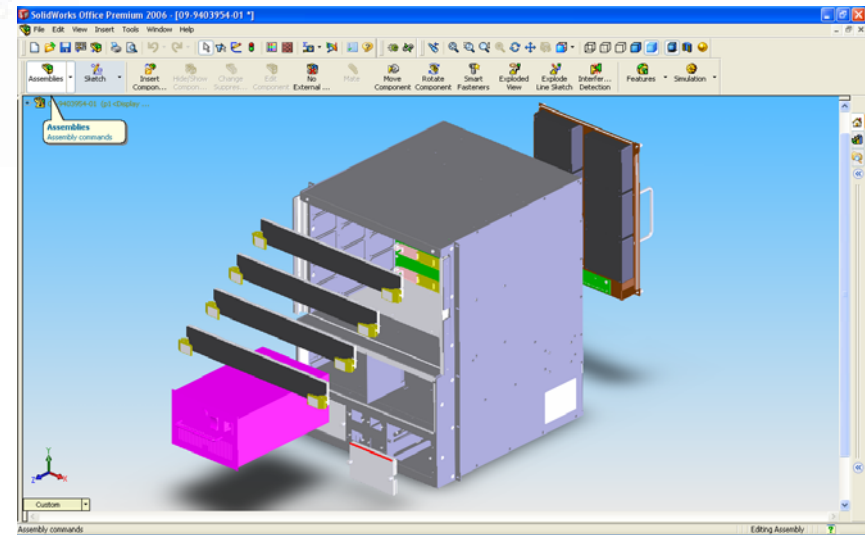

- ***Design/Customer Requirements***
- ***Multi-Disciplined Teams***
- ***Brainstorming***
- ***Innovative Solutions***
- ***Conceptual Layouts***

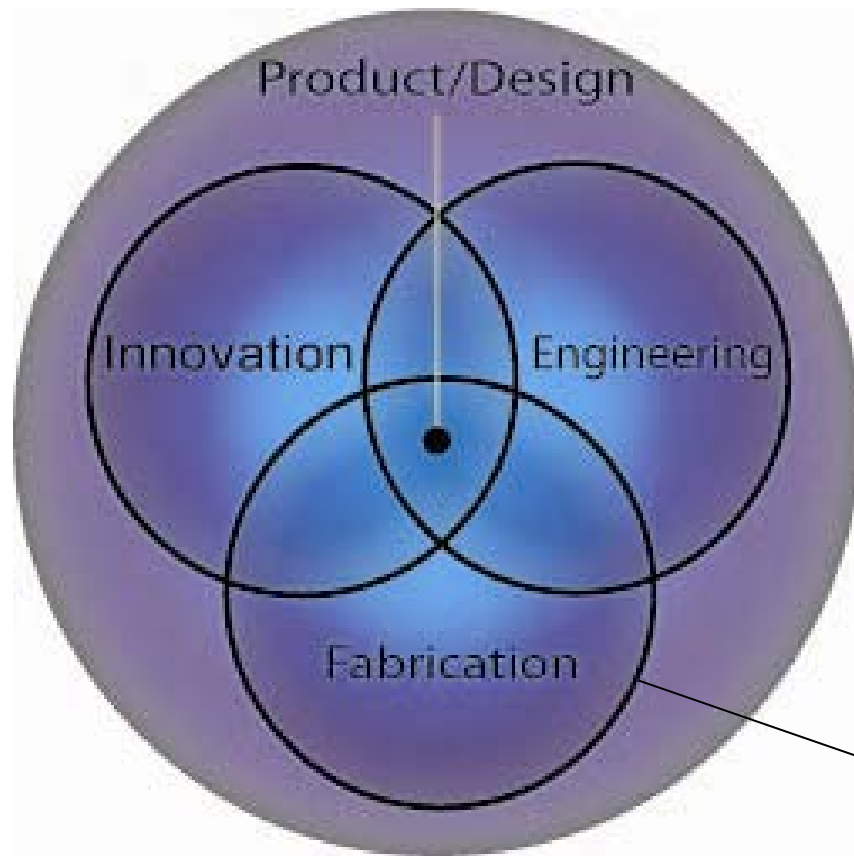

Engineering

- **Computer Aided Engineering (CAE)**
- **Existing or Bottom up Enclosure Design**
- **PCB Mechanical Layout**
- **Concurrent Engineering**
- **Project Management**
- **Preliminary Thermal and EMC/EMI analysis**
- **Packaging Design**

Fabrication

- ***Design and Precision Sheet Metal Fab Cross Functional Integration***
- ***48 Hours up to (2)-Weeks Prototype Delivery***
- ***Light Machining***
- ***Electro/Mechanical Assemblies***
- ***Powder Coating***
- ***Paint/Silkscreening***
